

## Spoil your Loved One this Christmas with Samsonite

The gifting season is an exciting time of year for all and Samsonite® has taken out the guesswork this year with the 2013 Samsonite Gift Guide. Delivering everything you need to add extra holiday cheer, impress your fashionista relation with exclusive one-of-a-kind luggage or get the latest suitcase from the polypropylene range for the friend who has it all. Thoughtful gifts like the extra lightweight briefcase or practical travel accessories will show your loved ones how much you care. Whatever you decide, rest assured that Samsonite has something for everyone.

### X-Pertiz: The Cool and Trendy Collection for Young Professionals

Young professionals making their way in the business world will appreciate durable, good-looking luggage to accompany them on their travels. With the hip and trendy X-Pertiz™ collection, you can go out into the world confident that you have dependable Samsonite luggage by your side. Encasing the whole exterior, the pioneering PointShock® technology is a dot printing abrasion resistant shield that provides exceptional

scratch resistance. Adding another dimension of strength, the increased abrasion protection ensures that the cases will keep their trendy exterior for longer. With the X-Pertiz collection, the rigorous durability does not equal heavy weights. The Spinner 55 weighs a mere 2.1kg; ensuring extreme lightness, dextrous mobility and ease of use on their adventures exploring the world. The fabric covers an effective plastic shell, safeguarding their belongings against any potential tumbles and knocks along the way. Available in the vivid colours of red, blue, black and yellow, the collection comes with a highly ingenious interior including a mesh divider pad, cross ribbons and zipper pouch. The on-trend matt surface finish and striking design is completed with a recessed lock, flat handles, zipper protection in PointShock material and an interior with colour matching details adding that extra touch of flair. A welcome addition to the set, the Rolling Tote holds a separate tablet pocket and a laptop compartment fitting devices up to 15.6", designed to store all the latest gadgets essential for any of today's modern professional. In addition, all models feature an integrated combi-lock accepted by the TSA. Perfect for any trip be it business or pleasure, this ultimate premium eye-catching gift will continue to dazzle trip after trip. BY YOUR SIDE

The Exclusive Limited Edition Cosmolite and Firelite; Every Fashionistas Dream Gift

The clued-up fashion-know-it-all will find it hard not to be impressed with the winning bespoke designs following the **Design My Samsonite** student competition. Whittled down from over 300 entries from design students in over 10 countries, the exclusive limited edition **Cosmolite™** and **Firelite™** will be the perfect present for any trend-savvy individuals. Inspired by a design created by Tanya Padalka, a student from Russia, the stunning New York skyline for the Cosmolite collection will wow your loved one when they unwrap it. Highlighting the New York cityscape including the Statue of Liberty, the design features a bold spectrum of bright colours and shapes. Equally striking is the Firelite collection design, inspired by the world travel motif created by student Hannah Koppers from Germany. Depicting a vibrant world map, the design is sure to inspire world travel wherever people might want to go with numerous colourful and exciting international routes pictured.

Made from 100% Curv® material exclusive to the Samsonite in the luggage arena, Samsonite has developed a revolutionary printing technique which enabled the custom artwork to be embedded within the Curv material. The limited edition Design My Samsonite Cosmolite and Firelite also boasts numerous smart features including an organized and efficient interior with lowered cross ribbons and divider-pad, smooth gliding wheels, wheel handle and a top and side ergonomic flat carry handle. All united to ensure extreme lightness, durability, security and most importantly original style; guaranteeing a one-of-a-kind chic piece of luggage for them to carry with pride.

Available in three different sizes, to find these suitcases underneath a Christmas tree will be every fashionistas dream.

### S'Cure DLX: A Light, Secure and Deluxe Collection

Finding the perfect gift can often be a difficult task, this season, Samsonite saves the day with the lightweight and extra-secure **S'Cure DLX™** collection. Building on the style and features of the popular S'Cure™ range, S'Cure DLX seamlessly melds strength with sophisticated style. Using its expertise as the market leader in suitcases, Samsonite has created the lightest Samsonite polypropylene collection yet. As well as being a robust and resilient collection, the use of Flowlite™ (a revolutionary polypropylene mix) creates an extremely light suitcase without compromising on strength. After being heated and melted, the polypropylene liquid is then forced with enormous pressure into a mould and left to cool to form a shell with less distortion and better colour clarity. Thin and tremendously light, the self-reinforcing design of the **S'Cure DLX** luggage shells are sturdy, strong and provide high shock resistance guaranteeing a resilient suitcase. With the premium traveller in mind, the S'Cure DLX range brings a touch of extra luxury to your travels with an extensive range of features including: a 3-point chrome locking system accepted by the TSA for extra protection, soft touch multi-stage double wheel handle for comfort, a bottom carry handle with chrome details to enable easy lifting and four double silent spinner wheels for premium manoeuvrability. The collection boasts a very practical interior with lowered cross ribbons, two large side pockets in the bottom shell, a removable wet pocket, a zipped laundry bag and a fully lined divider in the top shell. Available in five classic colours, designer-conscious friends will be in for a treat with the new premium-looking metallic green. Luxurious, stylish and indulgently packed with practical features in a smart design, why not surprise your friend this season with an S'Cure DLX suitcase.

### Tailor-Z: The Gift They Will Remember Throughout the Year

New for 2013, the **Tailor-Z™** collection includes two business models and four luggage essentials, ensuring one will always work and travel in style. Formed from an innovative patent-pending frame structure, the range is characterised by great stability and incredible strength, all encased in a premium looking exterior. The collection's classic and luxurious design with personalized detailing not only looks ultra-stylish, but also features smart functionality for all modern travel needs including: spacious double compartments, a large U-shape front pocket, butterfly cross straps for wrinkle free packing, double wheels, and a lock accepted by the TSA on all models ensuring worry free travel to and from the USA. Innovative and sophisticated design elements such as the expandability on the Spinner 65 and 75 allows for extra volume when needed. The space booster wheels on the Upright integrate the wheels within the back panel allowing the case to fit within strict cabin size guidelines. Finding the right gift can be tricky, but this strong, secure and contemporary classic luggage range ticks all the boxes. Offering solutions to meet anyone's needs in the classic colours of black or dune, Tailor-Z is a seasonal gift they'll remember all through the New Year.
